

SORRY  
We  
Missed  
You

We would like to schedule  
time with you to see how you  
are doing and offer support.

**Reminder:** This program is voluntary, and is intended to provide recovery support and community resources. After such a traumatic event, we would like to help you through this difficult time, as best we can.

Since we were not able to connect with you today, we will attempt to contact you and set up a convenient time to meet and discuss how we can support you in your recovery.
