#### QUESTIONS

What makes now an opportune time to participate in the peer exchange? What interests your team about this opportunity? What do team members hope to learn that would benefit your community in addressing substance use?\*

One of the goals of this initiative is to support peer learning between the teams that are selected to participate. What could your team contribute to other groups?\*

#### MANDATORY TEAM MEMBERS

Applicants must commit to the participation of a diverse group of stakeholders to be considered for this exchange. Selected teams MUST confirm that their attendees can participate in the site visit within 5 days of selection, or an alternate team will be chosen. Selected teams will receive travel scholarships for up to four members, each of whom must be a stakeholder in one of the sectors identified in the Technical Assistance Request Requirements. One additional team member may attend if they can "self-fund" their travel with local dollars.
